

YOU ARE THE AIChE COMMUNITY

As a student member, you have access to resources and benefits that will help you optimize your time at college and make a smooth transition from classroom to career. Connect with a global network of intelligent, resourceful colleagues and their shared wisdom, develop leadership skills, apply for scholarships, and much more.

At AIChE, chemical engineers have the opportunity to connect through communities built around shared interests and areas of expertise. Community counts here, and we're committed to helping you find the one that fits you best. Find communities that align with your professional goals and personal passions—each of these micro-societies offers its own benefits, resources, and opportunities to get involved.

AIChE® STUDENT MEMBERSHIP GUIDE

Connect with the Chemical Engineering community and enjoy benefits that give more.

TOP STUDENT BENEFITS

Conferences

Develop professional skills and connect to the larger world of chemical engineering by attending the AIChE® Annual Student Conference and Regional Conferences.

Awards and Competitions

Enrich your resume with AIChE scholarships and awards valued at more than \$50,000 (USD), if you qualify. Show off your hard work in the classroom and demonstrate your ChemE pride by competing in one of AIChE's many individual and team competitions.

Technical Resources

Keep apprised of new developments in chemical engineering through our CEP app, AIChExchange, SmartBrief eNewsletters, the Student Pocket Handbook app, and Academy training.

Advance Your Career

Gain insight into the next step in your engineering career with AIChE Career Discovery™. Start with our workshop or get help with building your resume. Search for internships and jobs, or research possibilities with Career Engineer. AIChE also offers tools for career coaching, networking, interviewing, and career insights.

SACHe Certification

Receive the process safety training the industry demands through our sponsored online course certificate program.

Member-Only Discounts

Members save on journals and books, student loan refinancing, personal services like UPS, travel & shopping, Dell technology products, and Office Depot.

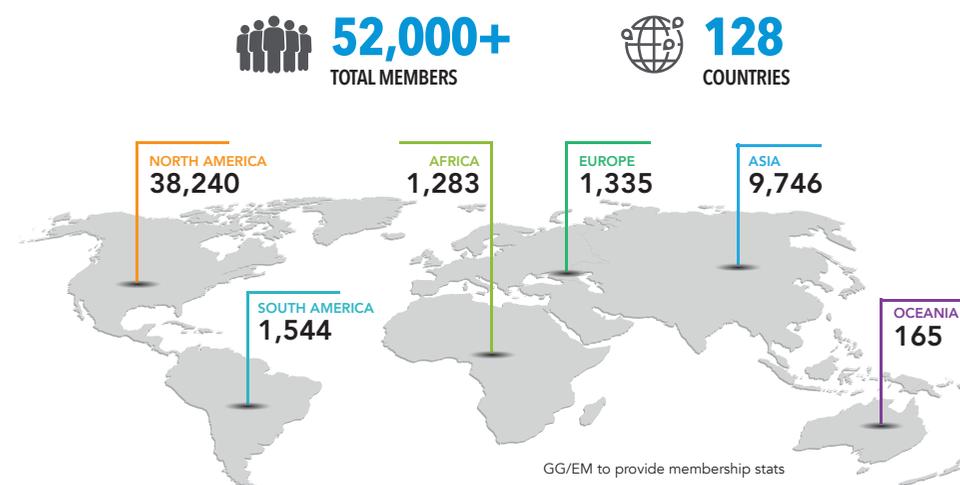

AIChE ChEnected & Social

Read, contribute to, and engage with everything ChemE via Engage and ChEnected, our exclusive online community and blog. Post, share & connect on our active social channels.

STUDENT MEMBERSHIP

Be a part of a strong global student community.

Find out more about the student community at aiiche.org/students

AIChE STUDENT CHAPTERS

- Develop project management skills
- Network, learn, and socialize alongside your ChemE peers
- Participate in group competitions like the AIChE Chem-E-Car Competition®
- Partner with another chapter via the Sister Chapters Program

Find your student chapter at aiiche.org/findastudentchapter

EXECUTIVE STUDENT COMMITTEE (ESC)

The Executive Student Committee (ESC) is the Institute's only student-run committee intended to help Student Chapters get the most out of AIChE. More specifically, the ESC seeks to:

- Help improve Student Chapters and promote inter-chapter communication
- Serve as the liaison between Student Chapters and AIChE staff and the Student Chapters Committee (SCC)
- Motivate Student Chapter members to be active in other aspects of AIChE

Read more at aiiche.org/esc

AIChE ANNUAL STUDENT CONFERENCE

The AIChE Annual Student Conference is an opportunity to take a break from your books and make new friends, explore academic, internship and job opportunities, and start building your chemical engineering network. Featured events include:

- Career-Planning Workshops
- Student Chapter Workshops
- Exciting Competitions
- Keynote Speech
- Networking Opportunities
- Recruitment Fair

Can't make the AIChE Annual Student Conference?

AIChE has Regional Conferences taking place in countries around the globe. Learn more about all student conferences at aiiche.org/studentconferences
